

# The Science of Neutrons

## Tuesday 17 March 2020

### The Science of Neutrons, Applications: The Science of Neutrons, Applications (11:00-13:00)

time	[id] title	presenter
11:00	[19] Neutrons for quantum and advanced materials	DEEN, pascale
11:40	[20] Neutron Instrumentation and techniques for applied materials science	BERAN, Premek
12:20	[21] Matter under high pressure: What neutrons can do for you	KLOTZ, Stefan
