

# The 7th EIROforum School of Instrumentation 2021

## Monday, 7 June 2021

### ILL: Neutrons and Instrumentation (16:15 - 17:00)

-Conveners: Paolo Mutti

time	[id]	title	presenter
16:15	[55]	Neutrons and instrumentation	MUTTI, Paolo

# Wednesday, 9 June 2021

## **ILL: Gas Detectors for Neutron Instrumentation at the ILL (11:00 - 11:45)**

-Conveners: Bruno Guerard

time	[id] title	presenter
11:00	[68] Gas Detectors for Neutron Instrumentation at the ILL	GUERARD, Bruno

## **ILL: Neutron instrumentation for materials structure and dynamics investigation, fundamental and nuclear physics research: An overview from neutron source to science (11:45 - 12:30)**

-Conveners: Charles Dewhurst

time	[id] title	presenter
11:45	[61] Neutron instrumentation for materials structure and dynamics investigation, fundamental and nuclear physics research: An overview from neutron source to science	DEWHURST, Charles
