## Monday, July 10, 2023

### Session 2: Neutron Optics - ILL4/rdc-1 - Amphi Chadwick (3:00 PM - 4:20 PM)

-Conveners: Pierre Courtois; Veres Tamas; Jens Birch; Andreas Freund

time	[id] title	presenter
3:00 P	[M0] Recent achievements in advanced diffractive optics for neutron monochromators at ILL	COURTOIS, Pierre
3:20 P	[M0] Vertical to horizontal beam double monochromator for reflectometry at BNC	Mr TAMAS, Veres
3:40 P	[M1] Hybrid neutron monochromator systems	FREUND, Andreas
4:00 P	[M4] 11B/10B-modulated boron carbide neutron interference mirrors	BIRCH, Jens
