

Collective Phenomena in Condensed Matter Physics : Symposium in Honor  
of Philippe Nozières

Contribution ID: 10

Type: not specified

**Discussing physics with Philippe : Polarized  $^3\text{He}$ , the  
liquid-solid interface of  $^4\text{He}$  and the question of the  
interfacial mass.**

*Thursday, 19 October 2023 17:15 (45 minutes)*

**Presenter:** Prof. CASTAING, Bernard
