Charged interfaces, chemical reactions and catalysis: Charged interfaces, chemical reactions and catalysis (09:00 - 10:45)

-Conveners: Jean DAILLANT

time	[id] title	presenter
09:00	[100] Adventures at liquid surfaces and interfaces	DEUTSCH, Moshe
09:45	[97] High-energy Surface X-ray Scattering for operando studies of electrochemical interfaces	MAGNUSSEN, Olaf
10:15	[113] In situ x-ray diffraction studies of the atomic structure and charge distribution at the electrochemical interface	GRUNDER, Yvonne
