

Session Program

Jul 15 – 18, 2024

SXNS17

Magnetic thin films and interfaces

ESRF Auditorium

Thu, July 18

11:10 AM

Magnetic thin films and interfaces: Magnetic thin films and interfaces

Session | Location: ESRF Auditorium | Convener: Thomas Saerbeck

11:10 - 11:30 AM Investigation of magnetic proximity effects in epitaxial heterostructures

Speaker

Kamaldeep Dalal

11:30 - 11:50 AM Shape, composition and magnetisation of iron oxide nanoislands on strontium titanate

Speaker

Steffen TOBER

11:50 AM - 12:15 PM What if we did the opposite? (remotely)

Speaker

Timothy Charlton

12:20 PM
