

DENIM 2025 - Design and Engineering of Neutron Instruments Meeting

Tuesday, 21 October 2025

FACILITIES UPDATES: FACILITIES UPDATES (10:45 - 12:30)

-Conveners: Charles Dewhurst

time	[id] title	presenter
10:45	[71] Australian Centre for Neutron Scattering 2024 Long Shutdown Activities	LEE, Stan
11:05	[99] ILL - Recent facility upgrades	MANZIN, Giuliana
11:25	[84] European Spallation Source Technical Update	CONNATSER, Robert
11:45	[59] SINQ++: Upgrading the Swiss Spallation Source for Advanced Neutron Science	WHITE, Jonathan
12:05	[42] Environmental Sustainability Landscape at ISIS and Implications on Engineering and Instrument Design	HALCROW, William
